

P:\County Standard Plans\UPDATED ROAD SECTIONS\Driveway Approach 2011.dwg

Vegetation within sight distance area may need to be trimmed or removed according to county inspector's evaluation.

PLAN VIEW

Sight Distance Detail

NOTE
 Depending on the posted speed limit, driver coming from the residential driveway onto the county road, has to be able to see the traffic at the recommended sight distance according to the Table 15.30-8. Otherwise removal of obstructions will be necessary to achieve required sight distance.

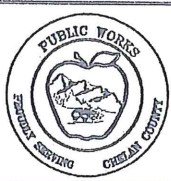

Table 15.30-8

Posted Speed (MPH)	20	25	30	35	40	45	50
Sight Distance (feet)	125	155	200	250	305	360	425

NOT TO SCALE
