Sheriff Brian Burnett regrettably reports that Chelan County Deputies responded to an infant death in Entiat last night. Shortly after 7:20pm last night, RiverCom dispatch received a 911 emergency call that a 5-month old infant male was not breathing. Medical Aid and Chelan County Deputies responded and were unsuccessful in their life saving measures. Chelan County Detectives were called to the scene to investigate the death. At this point in the investigation Detective's learned the 5-month infant, a 2 year old child, and an adult male were laying in bed taking a nap. When the adult male woke he found the infant unconscious and not breathing. The male immediately called 911 and notified emergency responders.

An autopsy is scheduled for later today and the investigation continues.
