###

Sheriff Brian Burnett reports on 05/31/2016 a Middle School Student reported being contacted by a suspicious male while walking home from school. The male was described as being a Caucasian man between 50 and 60 years old, balding with hair on the sides of his head. The male was driving a small teal colored SUV. The male asked the student if he needed a ride home. The student declined and the male drove away.

The student's decision to decline the male's offer may well have prevented a tragedy. We encourage parents to talk with their children and whenever possible have them walk with others and never approach a vehicle they do not recognize. Children should be encouraged to report any suspicious contacts to their parents, school officials, or law enforcement.
