#### II. PUBLIC HEARINGS

**VAR 25-284 Wilson** - An application for a Variance was submitted requesting the reduction of the required front yard setback along Echo Avenue from 30 feet from the property line (55 feet from centerline), to 5 feet from the property line (30 feet from centerline), in order to demolish an existing single-family residence and construct a larger new single-family residence. The applicant is also requesting a variance to expand the width of a non-conforming carport by five (5) feet, which is located along North Shore Drive, at zero feet from the property line. The carport was previously permitted under Variance VAR 01-002.
