Unidentified body located in remote Manson area

Sheriff Brian Burnett reports on August 27, 2014 Chelan County Sheriff's Detectives recovered the remains of an unidentified male in a remote part of Manson, Washington. Detectives responded to the scene to recover the body and collect any information leading to the cause of death for the unidentified male. Due to the condition of the body Detectives are not currently able to determine the time of death, the male's age or his race.

Detectives are currently working to identify male, the time of death, and why the male was in the remote location.
