On 10/18/23, during an evening school event, a Cashmere High School student reported to the Principal that another 17 year old Cashmere High School student told her he was going to shoot up the school and that she would be the first person he shoots. Detectives from the Chelan County Sheriff's Office responded and further investigation determined the student specifically said he would shoot up the school and gave specific details to how he would do it.

Later the same evening, a search warrant was obtained and served at the residence of the student in Cashmere. The student was arrested and booked into the Chelan County Juvenile Justice Center on charges of "Harassment Threats to Kill", and "Threats to Bomb or Injure Property".

The Sheriff's Office has no reason to believe there are any additional threats to the safety to the public or students at this time.
