Sheriff Mike Morrison reports on 6/24/2024 at approximately 1:16AM, Chelan Fire and Rescue, Chelan County Fire District #5, and the Chelan County Sheriff's Office were dispatched to a residential fire on Ariel Ln. Crews arrived to a fully involved 5th wheel trailer that had spread to two sheds, two vehicles, and had started a ¼ acre brush fire. There were multiple other RV's that were also threatened.

While responding to the fire, deputies were advised one person had sustained burns and was being transported by a private citizen to Lake Chelan Community Hospital. It was also reported one female was still missing.

When fire crews were able to make access to the 5th wheel, one person was found deceased along with several pets. In response to this information Detectives from the Sheriff's Office responded to the scene.

The cause of the fire is unknown and under investigation by the Chelan County Fire Marshal. At this time there is no evidence of foul play. However, the events leading up to the fire are still under investigation. The person transported to the hospital was later taken to Harborview Medical Center and their condition is unknown. The deceased person has not been identified at this time.
