Sheriff Mike Morrison reports the Chelan County Sheriff's Office has secured \$55,752.24 in funding from the Communication Tax Shared Funding Assistance Program. The awarded grant funding will cover the cost of new radios and audio panels, including installation, for both of the agency's aircraft. This funding again highlights the agency's continued efforts to secure external resources in order to meet operational needs while remaining mindful of taxpayer contributions. By maximizing available outside funding, the agency continues to make every effort to ensure they can meet and exceed the expectations of the citizens served. These efforts align with the agency's mission of utilizing resources effectively, enhancing public safety and supporting its role of being steadfast allies to the communities served. A special thanks to Rivercom and its board for making this request a reality. CCSO remains committed to being "Of the People. For the People."
